This edition of the *Catholic Faith Inventory* (CFI) is a free online survey that helps people appreciate their experience of faith and identify areas for spiritual growth. Individuals complete the survey and receive back, via email, the results of their responses in a workbook that they can use for journaling or discussion with a spiritual director, if they choose. The CFI is ideal for young adults, new Catholics, and Catholics who want to become more active in their own faith formation. Seekers who are interested in the Catholic faith may also find it helpful.
