

An evening among the saints

By Catholic Review Staff

Children enjoyed a night among the saints Oct. 31 as they toured the Shrine of St. Anthony in Ellicott City.

The night began with Mass at 6:30 p.m. and was followed by children and adults making their way around the shrine to various stations where volunteers, dressed as some of the most popular Franciscan saints, told the saint's story and then passed out candy. The night ended at the bonfire pit. (All photos by Tom McCarthy Jr. |CR Staff)
