College of Notre Dame of Maryland, Baltimore, and the Community College of Baltimore County signed an articulation agreement during a ceremony Jan. 30 to permit students to transfer credits from CCBC to CND toward a bachelor's degree in general education and business after earning an associate's degree.

"This program-to-program articulation agreement between College of Notre Dame and CCBC removes the uncertainty students sometimes experience when transferring from a two-year college to a four-year college," said Mary Pat Seurkamp, CND president.
