

Help homeless 'B-More' warm

Winter is hard on the homeless. But the youth group at St. Charles Borromeo, Pikesville, will make it a little easier with their "B-More Warm" project. They'll collect gently used coats, hats, scarves, gloves and blankets for the homeless. That old coat taking up room in your closet might be a lifesaver for someone else.

Donations can be dropped off between 8 a.m. and 1 p.m. on Feb. 10 at the parish center, 110 Sudbrook Lane.
