

# Mrs. Hahner

**(Our Lady of Perpetual Help School)**

**Dedicated Teacher and Model Educator**

Mrs. Florence Hahner has been teaching in Catholic schools for over 37 years. Her love of the Catholic faith and passion for teaching have cemented her as a beloved and pivotal member of the OLPH community. She has mentored new OLPH faculty and parents alike, and will often come early or stay late to tutor students in math to help their confidence. She often jokes with her students that they should all say math is their best and favorite subject. In 2013, she joined the administrative team at OLPH as the Academic Dean. Since then, she has helped lead the school to new heights while staying true to her love of the classroom.
