(Holy Angels Catholic School)

Loving Environment Leads to Classroom Success

Ms. Jane Gervasio, 3rd grade teacher, Intermediate Team Leader and STEM Committee member, at Holy Angels Catholic School develops very positive and uplifting relationships with her students. She has created a warm, welcoming, and very interactive classroom in which they pray and work together peacefully. Her students thrive because of her love and support. She is an amazing teacher, who goes above and beyond to give her students the best educational experience, in a safe and nurturing environment.
