

# Notre Dame Center - Additional Info

The Pontifical Institute Notre Dame of Jerusalem Center, where the Baltimore pilgrimage group celebrate Mass on the first day in Israel, is a retreat and residential center.

It also has had, since 2006, a permanent exhibition about the Holy Shroud to help pilgrims gain a deeper understanding of Christ's sufferings and Resurrection as they visit the holy places.

Our Lady of Peace Chapel, which seats more than 200 people, has beautiful acoustics, despite its small size, as our pilgrimage group experienced.

For more information on the center, including the Shroud exhibit, [click here](#).
