

Pay more attention to puzzle clues

I realize it's just a crossword puzzle, but the clue (14 across) that says the ACLU are "Protectors of the first amendment" could not be further from the truth. As you are well aware, they do all they can to remove any mention of religion from the public view. They spend a large amount of their time defending the "right" to abortion. They spend a large amount of time trying to destroy the true definition of marriage.

I know you get the puzzles from some distributor, but I ask that in the future you pay more attention to the clues.
