

Redemptorists offer e-cards for the season

Anyone looking for a quick way to send a card for the Lenten season online should check out the Web site of the Redemptorists of the Denver Province.

The site, www.redemptorists-denver.org, now offers electronic cards, called e-cards, for the Lenten season, Easter and Good Friday. There are also cards for respect for life, birthdays, Mother's Day, Father's Day and get well wishes.

Most of the cards include prayers of different Redemptorist saints. One example is St. Gerard Majella, who is patron saint of mothers and the unborn. St. Alphonsus Liguori, patron saint against arthritis, rheumatism and other aging pains, is featured on a get well e-card.

To find the e-cards, go to the Redemptorists' Web site and click on the blue e-cards button.
