

Slideshow of Deacon Tanghe's ordination

Our readers at The Catholic Review are pretty amazing. They're everywhere and use their cameras to capture some touching, incredible moments. Last week's ordination of transitional Deacon Warren Tanghe is a perfect example. Kitt O'Brien and Carrie Joneckis, both of St. John the Evangelist in Severna Park, were snapping away and offered to share some of what they were able to get. Unfortunately, all the photos couldn't get in the March 3 edition of the paper. But, they're embedded below in a video. Please enjoy and feel free to share your photos with me at mpalmer@CatholicReview.org
