

St. Ann, Hagerstown, parishioner explains the WYD trade

MADRID- It doesn't get any better than Katie Bechtel, an expert in trading at World Youth Days. The St. Ann of Hagerstown parishioner breaks it down for you and also explains the emotions of such events. I already admit I didn't spell "Sydney" correct in the video, so sorry about that one. Still, I've had immense trouble loading the correct version to YouTube. Anyway, enjoy! More is on the way!
