

Students Say ‘Thank You’ To Father Triplett

Resurrection-St. Paul School in Ellicott City celebrated Father Michael Triplett, associate pastor of Church of the Resurrection, May 24 after finding out he would be moving on to a new parish in early July. Father Triplett was known to dress up in wacky costumes and go to extraordinary lengths to support the school. He even kissed a cow for a parish youth ministry fundraiser. Father Triplett is an insanely good person who is following his calling with true passion. The kids at Resurrection-St. Paul came to love Father Mike, as you'll see below. He is the kind of priest who leaves a permanent impact.
