

Thank you from Iraq

Thank you for the generous response to my request for support to our Service Members in Iraq. I must admit that I am overwhelmed with the response – it's very touching to see 20 or more care packages arriving in my office weekly. This support of our Service Members is a great sign of your respect for their service, efforts and sacrifice. I want you to know that everything sent is appreciated. It makes all the difference in the world to them!

My Grandmother taught me manners and to especially write thank you notes. However, with my travel schedule I do not find the time to do so. Please accept my apology for not writing to each of you individually, but please do know that I am very grateful for your support and generosity.

I will celebrate a Mass for all our wonderful benefactors.

For God and Country!
