

The Ten Commandments... According to Kids

With the re-launch of our website, CatholicReview.org is starting a new video series with kids talking about the Ten Commandments. We never know what they're going to say when we ask the questions. First up is School of the Incarnation in Gambrills, Maryland. They deliver some sweet and often funny insights into the Ten Commandments!

Want to have your school's second graders take part? Email mpalmer@CatholicReview.org.

We're sure you'll enjoy the comments of Madison Heathcott in the video below. We spelled her name incorrectly in the video and we apologize.
