As a new endeavor, the Archdiocese of Baltimore will implement an ethics hotline so employees, volunteers, parishioners, vendors and other interested parties can report concerns regarding suspected financial and human resources issues. This provides us with an additional measure that supports compliance with the policies and procedures of the archdiocese. We have selected, an independent third-party company, to provide all Archdiocesan parishes and schools with an ethics hotline. Reports can be filed on this hotline via the web at www.archbalt.org by using the EthicsPoint link, by using the EthicsPoint website at www.ethicspoint.com or via one of EthicsPoint's trained specialists at 1-888-572-8026.
