## How To File Your Claim

There's no paperwork for In-Network care. Just show your identification card and pay your share of the cost, if any; your provider will submit a claim to Cigna for reimbursement. Out-of-Network claims can be submitted by the provider if the provider is able and willing to file on your behalf. If the provider is not submitting on your behalf, you must send your completed claim form and itemized bills to the claims address listed on the claim form.

You may get the required claim forms from the website listed on your identification card or by calling Member Services using the toll-free number on your identification card.

### CLAIM REMINDERS

- BE SURE TO USE YOUR MEMBER ID AND ACCOUNT/GROUP NUMBER WHEN YOU FILE CIGNA'S CLAIM FORMS, OR WHEN YOU CALL YOUR CIGNA CLAIM OFFICE.  
YOUR MEMBER ID IS THE ID SHOWN ON YOUR BENEFIT IDENTIFICATION CARD.  
YOUR ACCOUNT/GROUP NUMBER IS SHOWN ON YOUR BENEFIT IDENTIFICATION CARD.
- BE SURE TO FOLLOW THE INSTRUCTIONS LISTED ON THE BACK OF THE CLAIM FORM CAREFULLY WHEN SUBMITTING A CLAIM TO CIGNA.

### Timely Filing of Out-of-Network Claims

Cigna will consider claims for coverage under our plans when proof of loss (a claim) is submitted within one year (365 days) after services are rendered. If services are rendered on consecutive days, such as for a Hospital Confinement, the limit will be counted from the last date of service. If claims are not submitted within one year, the claim will not be considered valid and will be denied.

**WARNING:** Any person who knowingly and with intent to defraud any insurance company or other person files an application for insurance or statement of claim containing any materially false information; or conceals for the purpose of misleading, information concerning any material fact thereto, commits a fraudulent insurance act.

## Cigna Dental Preferred Provider Insurance

### The Schedule

#### For You and Your Dependents

The Dental Benefits Plan offered by your Employer includes Participating and non-Participating Providers. If you select a Participating Provider, your cost will be less than if you select a non-Participating Provider.

#### Emergency Services

The Benefit Percentage payable for Emergency Services charges made by a non-Participating Provider is the same Benefit Percentage as for Participating Provider Charges. Dental Emergency Services are required immediately to either alleviate pain or to treat the sudden onset of an acute dental condition. These are usually minor procedures performed in response to serious symptoms, which temporarily relieve significant pain, but do not effect a definitive cure, and which, if not rendered, will likely result in a more serious dental or medical complication.

#### Deductibles

Deductibles are expenses to be paid by you or your Dependent. Deductibles are in addition to any Coinsurance. Once the Deductible maximum in The Schedule has been reached you and your family need not satisfy any further dental deductible for the rest of that year.

#### Participating Provider Payment

Participating Provider services are paid based on the Contracted Fee that is agreed to by the provider and Cigna. Based on the provider's Contracted Fee, a higher level of plan payment may be made to a Participating Provider resulting in a lower payment responsibility for you. To determine how your Participating Provider compares refer to your provider directory.

Provider information may change annually; refer to your provider directory prior to receiving a service. You have access to a list of all providers who participate in the network by visiting [www.mycigna.com](http://www.mycigna.com).

#### Non-Participating Provider Payment

Non-Participating Provider services are paid based on the Maximum Reimbursable Charge. For this plan, the Maximum Reimbursable Charge is calculated at the 80th percentile of all provider charges in the geographic area.

#### Simultaneous Accumulation of Amounts

Benefits paid for Participating and non-Participating Provider services will be applied toward both the Participating and non-Participating Provider maximum shown in the Schedule.

Expenses incurred for either Participating or non-Participating Provider charges will be used to satisfy both the Participating and non-Participating Provider Deductibles shown in the Schedule.

## Covered Dental Expense

Covered Dental Expense means that portion of a Dentist's charge that is payable for a service delivered to a covered person provided:

- the service is ordered or prescribed by a Dentist;
- is essential for the Necessary care of teeth;
- the service is within the scope of coverage limitations;
- the deductible amount in The Schedule has been met;
- the maximum benefit in The Schedule has not been exceeded;
- the charge does not exceed the amount allowed under the Alternate Benefit Provision;
- for Class I, II or III the service is started and completed while coverage is in effect.

### Alternate Benefit Provision

If more than one covered service will treat a dental condition, payment is limited to the least costly service provided it is a professionally accepted, necessary and appropriate treatment.

If the covered person requests or accepts a more costly covered service, he or she is responsible for expenses that exceed the amount covered for the least costly service. Therefore, Cigna recommends Predetermination of Benefits before major treatment begins.

### Predetermination of Benefits

Predetermination of Benefits is a voluntary review of a Dentist's proposed treatment plan and expected charges. It is not preauthorization of service and is not required.

The treatment plan should include supporting pre-operative x-rays and other diagnostic materials as requested by Cigna's dental consultant. If there is a change in the treatment plan, a revised plan should be submitted.

Cigna will determine covered dental expenses for the proposed treatment plan. If there is no Predetermination of Benefits, Cigna will determine covered dental expenses when it receives a claim.

Review of proposed treatment is advised whenever extensive dental work is recommended when charges exceed \$200.

Predetermination of Benefits is not a guarantee of a set payment. Payment is based on the services that are actually delivered and the coverage in force at the time services are completed.

### Covered Services

The following section lists covered dental services. Cigna may agree to cover expenses for a service not listed. To be considered the service should be identified using the American

Dental Association Uniform Code of Dental Procedures and Nomenclature, or by description and then submitted to Cigna.

## Dental PPO – Participating and Non-Participating Providers

Plan payment for a covered service delivered by a Participating Provider is the Contracted Fee for that procedure, times the benefit percentage that applies to the class of service, as specified in The Schedule.

The covered person is responsible for the balance of the Contracted Fee.

Plan payment for a covered service delivered by a non-Participating Provider is the Maximum Reimbursable Charge for that procedure, times the benefit percentage that applies to the class of service, as specified in The Schedule.

The covered person is responsible for the balance of the non-Participating Provider's actual charge.

### General Limitations

#### Dental Benefits

No payment will be made for expenses incurred for you or any one of your Dependents:

- for or in connection with an Injury arising out of, or in the course of, any employment for wage or profit;
- for or in connection with a Sickness which is covered under any workers' compensation or similar law;
- for charges made by a Hospital owned or operated by or which provides care or performs services for, the United States Government, if such charges are directly related to a military-service-connected condition;

- services or supplies received as a result of dental disease, defect or injury due to an act of war, declared or undeclared;
- to the extent that payment is unlawful where the person resides when the expenses are incurred;
- for charges which the person is not legally required to pay. For example, if Cigna determines that a provider is or has waived, reduced, or forgiven any portion of its charges and/or any portion of copayment, deductible, and/or coinsurance amount(s) you are required to pay for a Covered Service (as shown on the Schedule) without Cigna's express consent, then Cigna in its sole discretion shall have the right to deny the payment of benefits in connection with the Covered Service, or reduce the benefits in proportion to the amount of the copayment, deductible, and/or coinsurance amounts waived, forgiven or reduced, regardless of whether the provider represents that you remain responsible for any amounts that your plan does not cover. In the exercise of that discretion, Cigna shall have the right to require you to provide proof sufficient to Cigna that you have made your required cost share payment(s) prior to the payment of any benefits by Cigna. This exclusion includes, but is not limited to, charges of a Non-Participating Provider who has agreed to charge you or charged you at an in-network benefits level or some other benefits level not otherwise applicable to the services received;
- charges arising out of or relating to any violation of a healthcare-related state or federal law or which themselves are a violation of a healthcare-related state or federal law;
- for charges which would not have been made if the person had no insurance;
- to the extent that billed charges exceed the rate of reimbursement as described in the Schedule;
- for charges for unnecessary care, treatment or surgery;
- to the extent that you or any of your Dependents is in any way paid or entitled to payment for those expenses by or through a public program, other than Medicaid;
- for or in connection with experimental procedures or treatment methods not approved by the American Dental Association or the appropriate dental specialty society.

benefits payable from all such Plans will be coordinated. You should file all claims with each Plan.

### **Definitions**

For the purposes of this section, the following terms have the meanings set forth below:

#### **Plan**

Any of the following that provides benefits or services for medical or dental care or treatment:

- Group insurance and/or group-type coverage, whether insured or self-insured which neither can be purchased by the general public, nor is individually underwritten, including closed panel coverage.
- Governmental benefits as permitted by law, excepting Medicaid, Medicare and Medicare supplement policies.
- Medical benefits coverage of group, group-type, and individual automobile contracts.

Each Plan or part of a Plan which has the right to coordinate benefits will be considered a separate Plan.

#### **Closed Panel Plan**

A Plan that provides medical or dental benefits primarily in the form of services through a panel of employed or contracted providers, and that limits or excludes benefits provided by providers outside of the panel, except in the case of emergency or if referred by a provider within the panel.

#### **Primary Plan**

The Plan that determines and provides or pays benefits without taking into consideration the existence of any other Plan.

#### **Secondary Plan**

A Plan that determines, and may reduce its benefits after taking into consideration, the benefits provided or paid by the Primary Plan. A Secondary Plan may also recover from the Primary Plan the Reasonable Cash Value of any services it provided to you.

#### **Allowable Expense**

The amount of charges considered for payment under the plan for a Covered Service prior to any reductions due to coinsurance, copayment or deductible amounts. If Cigna contracts with an entity to arrange for the provision of Covered Services through that entity's contracted network of health care providers, the amount that Cigna has agreed to pay that entity is the allowable amount used to determine your coinsurance or deductible payments. If the Plan provides benefits in the form of services, the Reasonable Cash Value of each service is the Allowable Expense and is a paid benefit.

## **Coordination of Benefits**

This section applies if you or any one of your Dependents is covered under more than one Plan and determines how

Examples of expenses or services that are not Allowable Expenses include, but are not limited to the following:

- An expense or service or a portion of an expense or service that is not covered by any of the Plans is not an Allowable Expense.
- If you are covered by two or more Plans that provide services or supplies on the basis of reasonable and customary fees, any amount in excess of the highest reasonable and customary fee is not an Allowable Expense.
- If you are covered by one Plan that provides services or supplies on the basis of reasonable and customary fees and one Plan that provides services and supplies on the basis of negotiated fees, the Primary Plan's fee arrangement shall be the Allowable Expense.
- If your benefits are reduced under the Primary Plan (through the imposition of a higher copayment amount, higher coinsurance percentage, a deductible and/or a penalty) because you did not comply with Plan provisions or because you did not use a preferred provider, the amount of the reduction is not an Allowable Expense. Such Plan provisions include second surgical opinions and precertification of admissions or services.

#### **Claim Determination Period**

A calendar year, but does not include any part of a year during which you are not covered under this policy or any date before this section or any similar provision takes effect.

#### **Reasonable Cash Value**

An amount which a duly licensed provider of health care services usually charges patients and which is within the range of fees usually charged for the same service by other health care providers located within the immediate geographic area where the health care service is rendered under similar or comparable circumstances.

#### **Order of Benefit Determination Rules**

A Plan that does not have a coordination of benefits rule consistent with this section shall always be the Primary Plan. If the Plan does have a coordination of benefits rule consistent with this section, the first of the following rules that applies to the situation is the one to use:

- The Plan that covers you as an enrollee or an employee shall be the Primary Plan and the Plan that covers you as a Dependent shall be the Secondary Plan;
- If you are a Dependent child whose parents are not divorced or legally separated, the Primary Plan shall be the Plan which covers the parent whose birthday falls first in the calendar year as an enrollee or employee;

- If you are the Dependent of divorced or separated parents, benefits for the Dependent shall be determined in the following order:
  - first, if a court decree states that one parent is responsible for the child's healthcare expenses or health coverage and the Plan for that parent has actual knowledge of the terms of the order, but only from the time of actual knowledge;
  - then, the Plan of the parent with custody of the child;
  - then, the Plan of the spouse of the parent with custody of the child;
  - then, the Plan of the parent not having custody of the child; and
  - finally, the Plan of the spouse of the parent not having custody of the child.
- The Plan that covers you as an active employee (or as that employee's Dependent) shall be the Primary Plan and the Plan that covers you as laid-off or retired employee (or as that employee's Dependent) shall be the secondary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.
- The Plan that covers you under a right of continuation which is provided by federal or state law shall be the Secondary Plan and the Plan that covers you as an active employee or retiree (or as that employee's Dependent) shall be the Primary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.
- If one of the Plans that covers you is issued out of the state whose laws govern this Policy, and determines the order of benefits based upon the gender of a parent, and as a result, the Plans do not agree on the order of benefit determination, the Plan with the gender rules shall determine the order of benefits.

If none of the above rules determines the order of benefits, the Plan that has covered you for the longer period of time shall be primary.

#### **Effect on the Benefits of This Plan**

If this Plan is the Secondary Plan, this Plan may reduce benefits so that the total benefits paid by all Plans during a Claim Determination Period are not more than 100% of the total of all Allowable Expenses.

The difference between the amount that this Plan would have paid if this Plan had been the Primary Plan, and the benefit payments that this Plan had actually paid as the Secondary Plan, will be recorded as a benefit reserve for you. Cigna will use this benefit reserve to pay any Allowable Expense not otherwise paid during the Claim Determination Period.

As each claim is submitted, Cigna will determine the following:

- Cigna's obligation to provide services and supplies under this policy;
- whether a benefit reserve has been recorded for you; and
- whether there are any unpaid Allowable Expenses during the Claims Determination Period.

If there is a benefit reserve, Cigna will use the benefit reserve recorded for you to pay up to 100% of the total of all Allowable Expenses. At the end of the Claim Determination Period, your benefit reserve will return to zero and a new benefit reserve will be calculated for each new Claim Determination Period.

#### **Recovery of Excess Benefits**

If Cigna pays charges for benefits that should have been paid by the Primary Plan, or if Cigna pays charges in excess of those for which we are obligated to provide under the Policy, Cigna will have the right to recover the actual payment made or the Reasonable Cash Value of any services.

Cigna will have sole discretion to seek such recovery from any person to, or for whom, or with respect to whom, such services were provided or such payments made by any insurance company, healthcare plan or other organization. If we request, you must execute and deliver to us such instruments and documents as we determine are necessary to secure the right of recovery.

#### **Right to Receive and Release Information**

Cigna, without consent or notice to you, may obtain information from and release information to any other Plan with respect to you in order to coordinate your benefits pursuant to this section. You must provide us with any information we request in order to coordinate your benefits pursuant to this section. This request may occur in connection with a submitted claim; if so, you will be advised that the "other coverage" information, (including an Explanation of Benefits paid under the Primary Plan) is required before the claim will be processed for payment. If no response is received within 90 days of the request, the claim will be denied. If the requested information is subsequently received, the claim will be processed.

## **Expenses For Which A Third Party May Be Responsible**

This plan does not cover:

- Expenses incurred by you or your Dependent (hereinafter individually and collectively referred to as a "Participant,") for which another party may be responsible as a result of having caused or contributed to an Injury or Sickness.
- Expenses incurred by a Participant to the extent any payment is received for them either directly or indirectly from a third party tortfeasor or as a result of a settlement, judgment or arbitration award in connection with any automobile medical, automobile no-fault, uninsured or underinsured motorist, homeowners, workers' compensation, government insurance (other than Medicaid), or similar type of insurance or coverage. The coverage under this plan is secondary to any automobile no-fault or similar coverage.

#### **Right Of Reimbursement**

If a Participant incurs a Covered Expense for which, in the opinion of the plan or its claim administrator, another party may be responsible or for which the Participant may receive payment as described above, the plan is granted a right of reimbursement, to the extent of the benefits provided by the plan, from the proceeds of any recovery whether by settlement, judgment, or otherwise.

#### **Lien Of The Plan**

By accepting benefits under this plan, a Participant:

- grants a lien and assigns to the plan an amount equal to the benefits paid under the plan against any recovery made by or on behalf of the Participant which is binding on any attorney or other party who represents the Participant whether or not an agent of the Participant or of any insurance company or other financially responsible party against whom a Participant may have a claim provided said attorney, insurance carrier or other party has been notified by the plan or its agents;
- agrees that this lien shall constitute a charge against the proceeds of any recovery and the plan shall be entitled to assert a security interest thereon;
- agrees to hold the proceeds of any recovery in trust for the benefit of the plan to the extent of any payment made by the plan.

#### **Additional Terms**

- No adult Participant hereunder may assign any rights that it may have to recover medical expenses from any third party or other person or entity to any minor Dependent of said adult Participant without the prior express written consent of the plan. The plan's right to recover shall apply to

- decedents', minors', and incompetent or disabled persons' settlements or recoveries.
- No Participant shall make any settlement, which specifically reduces or excludes, or attempts to reduce or exclude, the benefits provided by the plan.
  - The plan's right of recovery shall be a prior lien against any proceeds recovered by the Participant. This right of recovery shall not be defeated nor reduced by the application of any so-called "Made-Whole Doctrine", "Rimes Doctrine", or any other such doctrine purporting to defeat the plan's recovery rights by allocating the proceeds exclusively to non-medical expense damages.
  - No Participant hereunder shall incur any expenses on behalf of the plan in pursuit of the plan's rights hereunder, specifically; no court costs, attorneys' fees or other representatives' fees may be deducted from the plan's recovery without the prior express written consent of the plan. This right shall not be defeated by any so-called "Fund Doctrine", "Common Fund Doctrine", or "Attorney's Fund Doctrine".
  - The plan shall recover the full amount of benefits provided hereunder without regard to any claim of fault on the part of any Participant, whether under comparative negligence or otherwise.
  - The plan hereby disavows all equitable defenses in the pursuit of its right of recovery. The plan's recovery rights are neither affected nor diminished by equitable defenses.
  - In the event that a Participant shall fail or refuse to honor its obligations hereunder, then the plan shall be entitled to recover any costs incurred in enforcing the terms hereof including, but not limited to, attorney's fees, litigation, court costs, and other expenses. The plan shall also be entitled to offset the reimbursement obligation against any entitlement to future medical benefits hereunder until the Participant has fully complied with his reimbursement obligations hereunder, regardless of how those future medical benefits are incurred.
  - Any reference to state law in any other provision of this plan shall not be applicable to this provision, if the plan is governed by ERISA. By acceptance of benefits under the plan, the Participant agrees that a breach hereof would cause irreparable and substantial harm and that no adequate remedy at law would exist. Further, the plan shall be entitled to invoke such equitable remedies as may be necessary to enforce the terms of the plan, including, but not limited to, specific performance, restitution, the imposition of an equitable lien and/or constructive trust, as well as injunctive relief.

- Participants must assist the plan in pursuing any recovery rights by providing requested information.

## Payment of Benefits

### To Whom Payable

Dental Benefits are assignable to the provider. When you assign benefits to a provider, you have assigned the entire amount of the benefits due on that claim. If the provider is overpaid because of accepting a patient's payment on the charge, it is the provider's responsibility to reimburse the patient. Because of Cigna's contracts with providers, all claims from contracted providers should be assigned.

Cigna may, at its option, make payment to you for the cost of any Covered Expenses from a Non-Participating Provider even if benefits have been assigned. When benefits are paid to you or your Dependents, you or your Dependents are responsible for reimbursing the provider.

If any person to whom benefits are payable is a minor or, in the opinion of Cigna is not able to give a valid receipt for any payment due him, such payment will be made to his legal guardian. If no request for payment has been made by his legal guardian, Cigna may, at its option, make payment to the person or institution appearing to have assumed his custody and support.

When one of our participants passes away, Cigna may receive notice that an executor of the estate has been established. The executor has the same rights as our insured and benefit payments for unassigned claims should be made payable to the executor.

Payment as described above will release Cigna from all liability to the extent of any payment made.

## Recovery of Overpayment

When an overpayment has been made by Cigna, Cigna will have the right at any time to: recover that overpayment from the person to whom or on whose behalf it was made; or offset the amount of that overpayment from a future claim payment. In addition, your acceptance of benefits under this plan and/or assignment of Dental Benefits separately creates an equitable lien by agreement pursuant to which Cigna may seek recovery of any overpayment. You agree that Cigna, in seeking recovery of any overpayment as a contractual right or as an equitable lien by agreement, may pursue the general assets of the person or entity to whom or on whose behalf the overpayment was made.

## Qualified Medical Child Support Order (QMCSO)

### Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your Employer and elect coverage for that child, and yourself if you are not already enrolled, within 31 days of the QMCSO being issued.

### Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

- the order recognizes or creates a child's right to receive group health benefits for which a participant or beneficiary is eligible;
- the order specifies your name and last known address, and the child's name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child's mailing address;
- the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;
- the order states the period to which it applies; and
- if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

### Payment of Benefits

Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child's custodial parent or legal guardian, shall be made to the child, the child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

## Effect of Section 125 Tax Regulations on This Plan

Your Employer has chosen to administer this Plan in accordance with Section 125 regulations of the Internal Revenue Code. Per this regulation, you may agree to a pretax salary reduction put toward the cost of your benefits. Otherwise, you will receive your taxable earnings as cash (salary).

### A. Coverage Elections

Per Section 125 regulations, you are generally allowed to enroll for or change coverage only before each annual benefit period. However, exceptions are allowed if your Employer agrees and you enroll for or change coverage within 30 days of the following:

- the date you meet the criteria shown in the following Sections B through H.

### B. Change of Status

A change in status is defined as:

- change in legal marital status due to marriage, death of a spouse, divorce, annulment or legal separation;
- change in number of Dependents due to birth, adoption, placement for adoption, or death of a Dependent;
- change in employment status of Employee, spouse or Dependent due to termination or start of employment, strike, lockout, beginning or end of unpaid leave of absence, including under the Family and Medical Leave Act (FMLA), or change in worksite;
- changes in employment status of Employee, spouse or Dependent resulting in eligibility or ineligibility for coverage;
- change in residence of Employee, spouse or Dependent to a location outside of the Employer's network service area; and
- changes which cause a Dependent to become eligible or ineligible for coverage.

### **C. Court Order**

A change in coverage due to and consistent with a court order of the Employee or other person to cover a Dependent.

### **D. Medicare or Medicaid Eligibility/Entitlement**

The Employee, spouse or Dependent cancels or reduces coverage due to entitlement to Medicare or Medicaid, or enrolls or increases coverage due to loss of Medicare or Medicaid eligibility.

### **E. Change in Cost of Coverage**

If the cost of benefits increases or decreases during a benefit period, your Employer may, in accordance with plan terms, automatically change your elective contribution.

When the change in cost is significant, you may either increase your contribution or elect less-costly coverage. When a significant overall reduction is made to the benefit option you have elected, you may elect another available benefit option. When a new benefit option is added, you may change your election to the new benefit option.

### **F. Changes in Coverage of Spouse or Dependent Under Another Employer's Plan**

You may make a coverage election change if the plan of your spouse or Dependent: incurs a change such as adding or deleting a benefit option; allows election changes due to Change in Status, Court Order or Medicare or Medicaid Eligibility/Entitlement; or this Plan and the other plan have different periods of coverage or open enrollment periods.

### **G. Reduction in work hours**

If an Employee's work hours are reduced below 30 hours/week (even if it does not result in the Employee losing eligibility for the Employer's coverage); and the Employee (and family) intend to enroll in another plan that provides Minimum Essential Coverage (MEC). The new coverage must be effective no later than the 1<sup>st</sup> day of the 2<sup>nd</sup> month following the month that includes the date the original coverage is revoked.

### **H. Enrollment in Qualified Health Plan (QHP)**

The Employee must be eligible for a Special Enrollment Period to enroll in a QHP through a Marketplace or the Employee wants to enroll in a QHP through a Marketplace during the Marketplace's annual open enrollment period; and the disenrollment from the group plan corresponds to the intended enrollment of the Employee (and family) in a QHP through a Marketplace for new coverage effective beginning no later than the day immediately following the last day of the original coverage.

### **Eligibility for Coverage for Adopted Children**

Any child who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance, if otherwise eligible as a Dependent, upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child's adoption.

If a child placed for adoption is not adopted, all health coverage ceases when the placement ends, and will not be continued.

The provisions in the "Exception for Newborns" section of this document that describe requirements for enrollment and effective date of insurance will also apply to an adopted child or a child placed with you for adoption.

HC-FED67

### **Group Plan Coverage Instead of Medicaid**

If your income and liquid resources do not exceed certain limits established by law, the state may decide to pay premiums for this coverage instead of for Medicaid, if it is cost effective. This includes premiums for continuation coverage required by federal law.

HC-FED13

10-10

### **Requirements of Medical Leave Act of 1993 (as amended) (FMLA)**

Any provisions of the policy that provide for: continuation of insurance during a leave of absence; and reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, as amended, where applicable:

#### **Continuation of Health Insurance During Leave**

Your health insurance will be continued during a leave of absence if:

- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993, as amended; and
- you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

#### **Reinstatement of Canceled Insurance Following Leave**

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave

Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.

You will not be required to satisfy any eligibility or benefit waiting period to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

HC-FED17

## **Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA)**

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee's military leave of absence. These requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

### **Continuation of Coverage**

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.

For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

You may continue benefits by paying the required premium to your Employer, until the earliest of the following:

- 24 months from the last day of employment with the Employer;
- the day after you fail to return to work; and
- the date the policy cancels.

Your Employer may charge you and your Dependents up to 102% of the total premium.

### **Reinstatement of Benefits (applicable to all coverages)**

If your coverage ends during the leave of absence because you do not elect USERRA at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if you gave your Employer advance written or verbal notice of your military service leave, and the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.

You and your Dependents will be subject to only the balance of a waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is

aggravated during the military leave, full Plan limitations will apply.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

## **Claim Determination Procedures**

### **Procedures Regarding Medical Necessity Determinations**

In general, health services and benefits must be Medically Necessary to be covered under the plan. The procedures for determining Medical Necessity vary, according to the type of service or benefit requested, and the type of health plan.

You or your authorized representative (typically, your health care professional) must request Medical Necessity determinations according to the procedures described below, in the booklet, and in your provider's network participation documents as applicable.

When services or benefits are determined to be not covered, you or your representative will receive a written description of the adverse determination, and may appeal the determination. Appeal procedures are described in the booklet, in your provider's network participation documents as applicable, and in the determination notices.

### **Postservice Determinations**

When you or your representative requests a coverage determination or a claim payment determination after services have been rendered, Cigna will notify you or your representative of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control Cigna will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed and you or your representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

### **Notice of Adverse Determination**

Every notice of an adverse benefit determination will be provided in writing or electronically, and will include all of

the following that pertain to the determination: the specific reason or reasons for the adverse determination; reference to the specific plan provisions on which the determination is based; a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary; a description of the plan's review procedures and the time limits applicable, including a statement of a claimant's rights to bring a civil action under section 502(a) of ERISA following an adverse benefit determination on appeal, if applicable; upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit; and in the case of a claim involving urgent care, a description of the expedited review process applicable to such claim.

## **Dental - When You Have a Complaint or an Appeal**

For the purposes of this section, any reference to "you" or "your" also refers to a representative or provider designated by you to act on your behalf, unless otherwise noted.

We want you to be completely satisfied with the care you receive. That is why we have established a process for addressing your concerns and solving your problems.

### **Start With Customer Services**

We are here to listen and help. If you have a concern regarding a person, a service, the quality of care, or contractual benefits, you may call the toll-free number on your ID card, explanation of benefits, or claim form and explain your concern to one of our Customer Service representatives. You may also express that concern in writing.

We will do our best to resolve the matter on your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, but in any case within 30 days. If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

### **Internal Appeals Procedure**

To initiate an appeal, you must submit a request for an appeal in writing to Cigna within 180 days of receipt of a denial notice. You should state the reason why you feel your appeal should be approved and include any information supporting your appeal. If you are unable or choose not to write, you may ask Cigna to register your appeal by telephone. Call or write

us at the toll-free number on your ID card, explanation of benefits, or claim form.

Your appeal will be reviewed and the decision made by someone not involved in the initial decision. Appeals involving Medical Necessity or clinical appropriateness will be considered by a health care professional.

We will respond in writing with a decision within 30 calendar days after we receive an appeal for a postservice coverage determination. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

### **External Review Procedure**

If you are not fully satisfied with the decision of Cigna's internal appeal review regarding your Medical Necessity or clinical appropriateness issue, you may request that your appeal be referred to an Independent Review Organization (IRO). The IRO is composed of persons who are not employed by Cigna, or any of its affiliates. A decision to request an external review will not affect the claimant's rights to any other benefits under the plan.

There is no charge for you to initiate this external review. Cigna will abide by the decision of the IRO.

In order to request a referral to an IRO, the reason for the denial must be based on a Medical Necessity or clinical appropriateness determination by Cigna. Administrative, eligibility or benefit coverage limits or exclusions are not eligible for appeal under this process.

To request a review, you must notify the Appeals Coordinator within 4 months of your receipt of Cigna's appeal review denial. Cigna will then forward the file to a randomly selected IRO. The IRO will render an opinion within 30 days.

When requested and when a delay would be detrimental to your medical condition, as determined by Cigna's reviewer, the review shall be completed within 3 days. The external review is a voluntary program arranged by Cigna.

### **Notice of Benefit Determination on Appeal**

Every notice of a determination on appeal will be provided in writing or electronically and, if an adverse determination, will include: the specific reason or reasons for the adverse determination; reference to the specific plan provisions on which the determination is based; a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records, and other Relevant Information as defined below; a statement describing any voluntary appeal procedures offered by the plan and the claimant's right to bring an action under ERISA section 502(a), if applicable; upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse

determination regarding your appeal, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit.

You also have the right to bring a civil action under section 502(a) of ERISA if you are not satisfied with the decision on review. You or your plan may have other voluntary alternative dispute resolution options such as Mediation. One way to find out what may be available is to contact your local U.S. Department of Labor office and your State insurance regulatory agency. You may also contact the Plan Administrator.

### Relevant Information

Relevant information is any document, record or other information which: was relied upon in making the benefit determination; was submitted, considered or generated in the course of making the benefit determination, without regard to whether such document, record, or other information was relied upon in making the benefit determination; demonstrates compliance with the administrative processes and safeguards required by federal law in making the benefit determination; or constitutes a statement of policy or guidance with respect to the plan concerning the denied treatment option or benefit for the claimant's diagnosis, without regard to whether such advice or statement was relied upon in making the benefit determination.

### Legal Action

If your plan is governed by ERISA, you have the right to bring a civil action under section 502(a) of ERISA if you are not satisfied with the outcome of the Appeals Procedure. In most instances, you may not initiate a legal action against Cigna until you have completed the appeal processes. However, no action will be brought at all unless brought within 3 years after a claim is submitted for In-Network Services or within three years after proof of claim is required under the Plan for Out-of-Network services.
