The United States Conference of Catholic Bishops (USCCB) has announced a publication date for the long-awaited ***Misal Romano, tercera edición*** -- the Spanish translation of the third edition of the Roman Missal for use in the United States. This is an historic moment for the dioceses of the United States! It marks the first time that this country has its own Spanish-language edition of *The Roman Missal*. Therefore, the members of the FDLC (Federation of Diocesan Liturgical Commissions) are pleased to collaborate with the secretariat staff of the Bishops' Committee on Divine Worship in order to offer information on this new liturgical text. In addition, the arrival of this U. S. edition of the *Misal Romano* creates a golden opportunity to provide liturgical formation to all the faithful! These nationwide workshops will not only examine the revised text, but will equip clergy, lay leaders, and pastoral musicians with resources to aid parish instruction.
