

Archdiocese of Baltimore
Guidelines for Responding to the COVID-19 Virus
July 6, 2020

To limit the amount of information being shared and to make this document as easy to read and helpful as possible, it will be limited to mostly updated/new information. Limited “repeat” information is included in italics. A comprehensive set of guidelines can be found at www.archbalt.org/coronavirus.

General

- A. **Guidance remains unchanged.** As we have received some questions about whether it is OK to relax certain restrictions, keep in mind that all guidance issued up to this point remains in place until further notice. When there are changes, these will be communicated.
- B. **Reminder:** Webinar on “Resuming Parish Operations During COVID-19” will be offered July 7, 11 a.m., and July 9, 2 p.m. Please see the **attached** flyer for registration information.

Communication

- A. *Repeat information: A page on the archdiocesan website has been established where all pastoral resources will be kept: <https://www.archbalt.org/pastoralresources/>*
- B. *Repeat information: There is one central contact for the Archdiocese for all questions, concerns and reports involving the COVID-19 virus: riskmanagement@archbalt.org. As more information becomes available and as we learn of other questions or concerns more updates will be forthcoming. Updates will also be posted to <https://www.archbalt.org/coronavirus/>, where you can refer parishioners and others for the latest information and news.*
