Risk Factor	Explanation	Rating
1. Age	The presumption is one's ability to adhere to social distancing and use of personal protection equipment is directly related to the age of the participants. The rating is to be based upon the age range that represents the greatest number of participants if multiple age categories are involved in the ministry.	18 years 9th-12th 6th-8th Pre-K th
2. Duration of Activity	The presumption is the longer an activity runs the greater the likelihood of not maintaining social distancing, PPE placement, and general opportunities for exposure.	Less than 2-6 hours 6-24 hours Overnight
3. Number of Participants	The presumption is the fewer participants reduces the chances of exposures. Also in the event of exposure the fewer number of individuals to be potentially infected.	Less than 11 to 25 26 to 50 More than
4. Venue of activity	The presumption is outdoor is the best venue at this point. Additionally, venues under the control of the parish or school are preferred over other venues as there is knowledge as to the extent of cleaning, disinfecting and like at owned premises.	Outdoor Outdoor Indoor (c Indoor (c
5. Nature of Activity	The presumption is the less contact between participants along with the limitations on any shared items being used by group participants, the less exposure to spreading of the virus.	Sedentary Moderate Moderate Significant
6. Management of Ministry	The presumption is that strong leadership and management of the ministry is essential to migrate ministries back to in-person meetings. This includes responsibility for ensuring adherence to various guidance including use of PPE's, social distancing and monitoring of attendance.	Ministry at a min Ministry due to l Ministry due to l Ministry concern

MINISTRY RISK PROFILE

Risk Factor	Explanation	Rating
7. Travel Requirements	The presumption is that travel to and from the ministry is lower risk if the person travels either alone or with same household members and increases in risk as those traveling together become greater in number. The rating is to be based upon the mode of transportation utilized by the greatest number of participants.	Travel to family Travel to the imm Travel to of trans Travel to as airpla
8. Ministry Demographics	The presumption is that based upon evidence to date, COVID-19 has a greater impact on particular ethnic, age groups and those with , the participants making up membership of ministry needs to be evaluated in order to determine potential risks.	None of demogr or Hisp; No mor risk den Americ; Between high risl Americ; 50% of demogr or Hisp;
