

CHERISHING THE DIVINE WITHIN ALL

Per Gov. Hogan's executive order, if you want to deliver donated food or supplies to Catholic Charities, you are EXEMPT from the stay-at-home order for the travel required to make those deliveries.

Your individual parishes may have restrictions on how food preparation and delivery may be handled. Catholic Charities asks that food preparation be the same as you may already know: follow the recipes and deliver the casseroles frozen.

If you are uncomfortable making a delivery, please contact helpnow@cc-md.org or 667-600-2023 to arrange for pick-up.
