Move and resize text boxes and images by clicking them once, then make changes.

Edit text by double-clicking the text boxes.

To add custom images, click “UPLOADS” on the left side of the screen. Then click the “Upload Media” button at the top of the sidebar. Upload your image and resize as needed.

When finished editing, click the download button in the upper right of the screen. From the drop down, you can select whatever file type is best for you. If you have a Canva account, log in to download the flyer without a watermark.

*Please note: Space has been left on the back of the insert to include your parish's FORMED access information, parish logos, or other information.*
